Supplier Invoice Payment Packet

Department	Finance	**Reference**	FIN-AP-2026-447
Status	Closed - Test Copy	**Record date**	2026-08-20

Record Summary

The county received an invoice from a technology supplier for network switches and replacement power supplies that had already been delivered to the department.

Finance staff matched the invoice to the purchase authorization and receiving confirmation, verified the billed amount, and approved the amount owed to the vendor for the next disbursement cycle.

Supporting material includes the supplier invoice, delivery receipt, payment authorization, remittance detail, and reconciliation notes. The purpose of the file is to document money the locality must pay to a creditor.

This is a synthetic born-digital test document with selectable text. It does not require OCR.
