Vehicle Tow and Release Record

Department	Police Operations	**Reference**	TOW-2026-0739
Status	Closed - Test Copy	**Record date**	2026-08-20

Record Summary

An officer ordered removal of a damaged vehicle from a restricted roadway. Dispatch recorded the towing company, vehicle description, location, reason for towing, and time of removal.

The owner later presented identification and proof of ownership. Staff documented release authorization and the towing and storage information associated with the vehicle.

The file contains the tow sheet, vehicle information, release authorization, and related correspondence documenting law-enforcement action in having the vehicle towed.

This is a synthetic born-digital test document with selectable text. It does not require OCR.
